4th September 2015

Dear Parents,

There have been many changes in education recently, as from 1st September 2015 all schools must teach all year groups in line with the new national curriculum.

As part of the new national curriculum the Department for Education has removed the previous levels of achievement. This means that children will no longer be judged by a numerical level (ie. 2B), schools have been allowed to determine their own assessment language that they wish to use.

I have attached a leaflet I have created that explains what this will look like at Moulton Chapel and will be holding a meeting for parents to go through this in more detail and explain the changes to the curriculum in the coming weeks.

This will be a big shift in how we report your child's progress and so I would appreciate it if you could take the time to read it carefully.

Thank you for your support with this matter.

Yours sincerely

Miss Lisa Meacher
Headteacher
