

## Moulton Chapel Primary School

**Working together, achieving together.**

16<sup>th</sup> October 2017

Dear Parents and Guardians,

### **Cars and traffic at start and end of school day**

One of the residents of Eaugate Road telephoned school this morning to make us aware that she had to swerve her car when she was taking her 3 children to another school this morning (and ended up "in the field") as other cars, that she assumes were driven by parents of children at this school, stopped in front of her without giving any indication of their intention to do so. Her view is that there will be an accident if this continues. She also informed us that a sign has been put up by the landowner asking drivers not to use the opening in this incident as a turning point.

We fully appreciate the difficulties you face when delivering your children to school. Many families deliver and collect by car and it is not possible to offer any turning facilities on the school site. Please use your own best judgement, and every precaution, when choosing a turning point to ensure that you and other car users are kept safe and disturbance to school's neighbours is kept to a minimum.

Thank you.  
Yours sincerely,

A handwritten signature in black ink that reads "Mrs L. Sexton".

Mrs L. Sexton
