

How we will spend the School Sports Premium and who will benefit?

Starting in September 2013, each school will be receiving additional funding through the Sports Pupil Premium to promote sport following London 2012.

At Moulton Chapel Primary our 2015/16 grant was : £8320

We intend to:

- Further raise staff skills in delivering high quality PE sessions
- Extend our involvement in competitive sport within school and with other local schools
- Maintain our extra-curricular sports opportunities
- Employ high quality sports coaches for some sessions of PE
- Support the training of children and staff on re introducing playground Leaders

The following table gives a summary of how the funding is currently being used and details have also been included of initiatives that will come on-line during the current academic year:
