Progress Measures from the DfE (Floor Targets) for 2018

In 2018, a school will be above the floor if:

- at least 65% of pupils meet the expected standard in English reading, English writing and mathematics; or
- the school achieves sufficient progress scores³ in all three subjects: at least -5 in English reading, -5 in mathematics and -7 in English writing. ⁴

To be above the floor, the school needs to meet either the attainment or the entire progress element.
