Following the success of last year's Food Day and Gala Dinner, Darren Tinkler of Roots to Food will be returning to Moulton Chapel Primary to work with our Y5 and Y6 pupils to prepare and serve a meal to their parents, staff and governors. If you would like to come along, please return your choice of meal.

There is no charge to parents for the meal, but we will be leaving tip jars around the venue for you to contribute to, if you would like to. Unfortunately this is not open to siblings and is only for parents to attend.

We will be teaching the children how to prepare and serve as if they were in a restaurant and I hope you will see the value in the experience they will have.

I have attached the menu to the invitation and would ask that this is returned by Wednesday 5th June in order for us to assign roles for the evening to the children and purchase ingredients.

We hope you will join us on what is sure to be an exciting and enjoyable evening.
